Using the data chart, draw a line graph to illustrate the history of population over this 511 year period \& answer the question below..

|  |  |  |  |
| :---: | :---: | :---: | :---: |
| Year | Population |  |  |
| 1500 | $500,000,000$ |  |  |
| 1600 | $545,00,000$ |  |  |
| 1700 | $600,000,000$ |  |  |
| 1800 | $1,000,000,000$ |  |  |
| 1900 | $1,000,000,000$ |  |  |
| 1930 | $2,00,000,000$ |  |  |
| 1960 | $4,000,000,000$ |  |  |
| 1975 | $5,000,000,000$ |  |  |
| 1989 | $6,000,00000$ |  |  |
| 2071 | $7,000,000,000$ |  |  |

What do you observe about how our population changed over time?
